NEWSFLASH

TROLLEY UPDATE

The body frame of our Wickhams permanent way trolley was successfully lifted off the chassis recently by Gavin and Ricci Cooper of Knysna Motor Strippers and transported to the workshop of 'Village Blacksmith' John McQuade in the Knysna Industrial Area for sandblasting.

On Tuesday 3 May the frame was sandblasted and Friends of the Choo-Tjoe members Colin Burgess, George Freeburn, Allan Waterston and Fraser Howell applied the first coat of self etch primer.

The following day the second coat of primer was completed and the frame transported back to Ron Hollis's workshop.

The Friends of the Choo-Tjoe wish to thank Ricci and Gavin Cooper, John McQuade and Ron Hollis for all the help and support given to ensure this positive step forward in the renovation of the trolley.

Fraser Howell, Chairman
